About Bokaro

In Jharkhand encircled by hills and hillocks of mines projects the Bokaro district is prominent in India's map for its Steel Plant. It is also scaling higher on an on with Academic results and several Educational achievements.

Our College

Dr. S. Radhakrishnan College of Education (Recognized. ERC, NCTE & Affiliated to VBU, Hazaribag) is shining star on the National Highway-32, Ranchi to Dhanbad road up to Kolkata in district Bokaro, Jharkhand.

The College established in 2012 is preparing Teachers for the nation at secondary level in B.Ed. programme and launching forward the Elementary Teachers Training Programme in D.El.Ed. programme. Next venture is to start M.Ed. programme from next year.

Under the patronage of Bokaro Education Trust, the college aims to shape society makers and national characters with full vigour and dynamics. We believe in action: -

**"Tell me I forget
Teach me I remember
Involve me I learn."**

Seminar

A higher educational learning method is to conduct Seminar. This Seminar is the need of time with its topic "Tribal-Development and Govt. Projects: It's Success & Failures". Today when the nation is embarking upon all-round development, 67% and more of its population as 'tribals' need to be studied as human capital formation with their problems and solution. The nation is wanting such Research work.

Sub-topics can be as follows:

1. Tribal Children and their educational supports.
2. Tribal women and their living culture.
3. Tribal land and natural resource development.
4. Tribes in Jharkhand and political system.
5. Constitutional provisions in India for its Tribes.

Abstract

Abstracts regarding the Seminar topic sent through email along with registration fee are invited till 25.10.2017 (Words limit 300 words).
